## Liability Waiver

I am aware that guided hunts in remote areas of Alaska involve certain dangers and inherent and other risks, some of which include:

Firearms and bow shooting activities, airplane, 4x4, jet boat or canoe travel, extreme weather conditions, tracking wounded bears, climbing mountains, crossing rivers, avalanches, rock fall & illness.

I am also aware that medical services or facilities may not be readily available during part of the time in which I am participating in the hunt.

In order to partake in the enjoyment and excitement of this adventurous hunting experience, I am willing to accept and assume all of the risks and uncertainty involved the hunt, including the possibility of personal injury, death, or any other perceived or actual inconveniences suffered during the hunt.

Further I agree that I will not, nor will anyone acting on my behalf, claiming by or through me, bring or maintain any suit in Court to assert any claim against Alaska Fair Chase Guiding.

I have carefully read this agreement and fully understand its contents. I am aware that this is a binding release of liability in favor of Alaska Fair Chase Guiding - owner and guide Larry Benda.

I sign this release of my own free will.
